SUBJECT: Interim Change to Norwich University Student Rules and Regulations promulgated on August 1, 2014. Effective as of 11/18/2014

Chapter 3, Section I, Paragraph D, Number 7; Delete and Change to Read:

7. Alcohol Education, Counseling or Treatment Program

   a. REFERRAL. Students found guilty of a violation of the alcohol policy may be required to participate in an alcohol education, counseling or treatment program under the care of a licensed drug or alcohol abuse counselor. Students have 30 calendar days from the date of the referral in which to complete the education, counseling or treatment program and provide written documentation of completion or face suspension or dismissal.

   b. AUTHORITIES. In each case, the student affairs staff member adjudicating the alcohol violation will determine whether referral to a licensed drug or alcohol abuse counselor is appropriate. Once a student is referred to a licensed counselor, the counselor will determine the appropriate level of education, counseling, or treatment that is required for that student. The Commandant of Cadets, Dean of Students, and SVPEMSA have the authority to suspend or dismiss students who fail to complete the required program within 30 calendar days.

   c. PAYMENT. The cost of the alcohol education, counseling or treatment program will be borne by the student as a ‘fee for service’ contract with the licensed drug or alcohol abuse counselor. Norwich University will provide the names and contact information for local program providers who meet the licensing requirement, but will not negotiate with the provider on the student’s behalf.

Chapter 3, Section II, Delete in its entirety

Chapter 3, Sections III-XXIII renumbered and become Sections II-XXII.
